Dana runs in, Angela and Travis hot on her heels.

The SYNTHESIZER is on the far end of the room. And Thorn's VIAL, is now full of a mysterious GOLD LIQUID! The Jam killing Formula!

DANA  
There it is!

She takes three steps toward it-

-As the room twists with an IMPACT!

The room vibrating as the exterior missile blasts rocks the ship to the side.

The floor splits open, Dana plummeting into the OCEAN WATER as it pours inside through a gap in the hull!

Dana surfaces, gasping, just in time to see the JAM roll in through the HOLE IN THE SHIP towards her!

The Jam floats on top of the water, its tendrils reaching out for Dana as she swims back, away from the Jam!

Throwing herself onto the platform just above Dana, Angela reaches for her- But it's too late.

DANA (CONT'D)  
*There's no time! Get the  
neutralizer! Destroy the Jam!*

Dana dives down, as Jam rolls over the top of the water.

Angela is helpless to save her.

Travis is paralyzed, the GAP separating him from the vial, trapping her beneath the Jam!

ANGELA  
DO IT, TRAVIS! GET THE VIAL!

Trapped underwater, Dana has nowhere to go.

Her breath goes short, losing consciousness.

She rises up-

The Jam SHUDDERS, DEVOURING Dana.

The new mass empowers the Jam to expand outward, it's tendrils forming into a PILLAR, reaching up towards them.

Towards Angela!

ANGELA (CONT'D)  
TRAVIS, *PLEASE!*

With a surge of emotion, HE LEAPS!

The Serpent of Jam reaches for him-

MISSES!

He lands beside the Vial, grabbing it!

He lifts it into the air, the pillar of Jam rising up to meet him, as if sensing it's DEATH in his fingers!

TRAVIS  
HEY JAM!  
(Hollywood beat)  
*You forget the peanut butter.*

And he throws the vial down-

-Past the Pillar of Jam-

-Past Angelas Amazed expression-

-Down into the Jam!

Where it lands-

Harmlessly.

The RUBBER CORK still sealing it shut.

TRAVIS (CONT'D)  
Uh-Oh, was I supposed to take the  
cork out?

ANGELA  
Oh, Travis.

The room rolls! The ship keeling to one side.

And the pillar of Jam falling on top of Angela-

-CONSUMING HER.
