

STEVE

No kidding!? You guys are famous.

LISA

Yeah! Got up, went for a run, people starting pointing at the sky, next thing I know, I'm falling up into a big ship! I mean, I didn't know it was a ship at the time, I was mostly in just blind panic mode.

STEVE

So you've missed out on the whole war than? That's enviable.

LISA

Is it? I spent a week vomiting up something blue! And then they removed a bunch of my organs.

She lifts her shirt to reveal her horrific SCARS.

STEVE

Jesus!

LISA

They put-m back, so we're cool. Still, forced surgery is no picnic... I miss picnics.

STEVE

Yeah... Those haven't really been a thing since the whole... Genocide- What's with all the clothes?

Lisa eyeballs a CHILD'S T-SHIRT filled with LASER HOLES.

LISA

Best not to think about- also there's never any women's clothing- should I be alarmed by that?

STEVE

Probably?

LISA

Let me give you the tour!

She stands, gesturing dramatically to the 10x30ft room.

LISA (CONT'D)

And there it is. Make yourself at home. We're here till we die.

He stares dumbfounded at the small white room.

LISA (CONT'D)

Don't worry, I'll explain the
bathroom situation eventually.
Just do it anywhere...

STEVE

Lady... I feel like you're focusing
on the wrong thing here. We've been
abducted, but we're not dead yet!
We need to figure a way out of this-

Steve pauses, realizing what the room looks like.

STEVE (CONT'D)

-We're in a giant rat cage.

LISA

(Squealing)

OH MY GOD, *You see it too!* You must
be going crazy already.

STEVE

This is a nightmare. But for some
reason I feel really mellow about
the whole thing. Why am I not
screaming? This *IS* a nightmare,
but I'm calm? This is weird.

LISA

It's the happy pills! You remember
that giant tube thing that went in
your throat while the robot arms
stripped off your clothes?

He blinks, suddenly recalling something traumatic.

STEVE

Oh... *Oh fuck me!*

LISA

It did! But don't think about it.
All the food, water and toilet
paper here is laced with it!

STEVE

Well *at least* we get toilet paper.

LISA

Only recently... *So lucky you.*
